With the growing international network

Equipment you can count on.
People you can trust.

Our efficient network is based on 4 branches located throughout Caspian, Black Sea and Gulf, on our teams of competent partners operating on site and on our fleet of state-of-the-art vehicles.

All this allows us to offer you the best logistics partnership possible destined to bring the best results, thanks to both our international know-how and our in-depth local knowledge and efficient assistance skills.

TAY BRANCH OFFICE

TAY AGENT

Our services

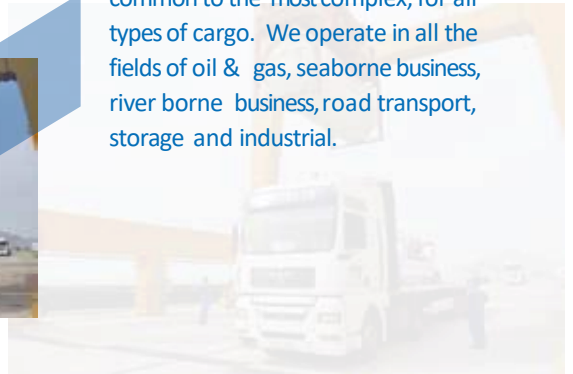

Customs Clearance

Providing suggestion to the customer on documentation of purchase order, contract, invoice and packing list to make the document compatible with the Turkmen customs easy clearance. Translation of Shipping Documents. Receiving Goods. Handling and arranging bonded warehouse. Customs Inspection. Preparation of Customs documentation and Application Letters. Obtaining of TDS Certificate. Customs Declaration.

Port Handling

Cargo handling is an essential link in port operations. It is an open air activity which requires muscles, wit and quick decisions making. We ensure all port & rail way handling operations and goods transshipment. We manage our own stevedores, very experienced persons, able of all types of operations, the most common to the most complex, for all types of cargo. We operate in all the fields of oil & gas, seaborne business, river borne business, road transport, storage and industrial.

Convoy / Road Survey

During the last years various customers have pointed out to us that more expertise and consultancy is required for the transportation of their Project Cargoes.

Our surveyors, a number of them having sailed with Project Cargo in the past, have built up considerable expertise in this field and we can offer our services to the market.

Rail Freight & Handling

Company offers transportation of different types of goods by rail in gauge, containerized, heavy and OOG, bulk etc. Our from/ to destinations cover following territories

Georgia, Azerbaijan, Kazakhstan, Turkmenistan, Uzbekistan. Apart from rail tariff calculations we offer following value added services as restaffing cargo into different types of wagons using most optimal loading scheme incl. further approval with railway authorities, lashing and securing of in gauge, heavy lifts and OOG shipments, issuance of railway bills and cargo tracking on whole route of delivery.

Warehousing

TAY offers short and long-term cargo storage

and warehousing services in different places all over the globe.

We offer services as pick-up of goods from different locations and consolidation for further transportation by multimodal means of transport, storage of goods in different ports, container stuffing and unstuffing, local distribution.

Health safety & environment

TAY s m ain environment principle is:

Go Green for a Sustainable Living

HEALTH,

SAFETY,

ENVIRONMENT.

OUR APPROACH:

Planning;
Check for use of existing and implementation of new documents;
Check the results, react and take further measures;
Sub-contractor Management

ENVIRONMENT

TAY devote all the necessary energy and attention to protect employees, contracts and any other people involved with the company along the value chain, including suppliers, customers and the public.

OUR STANDARDS ARE DEFINED BY:

Health and Safety Policy;
Procedures Manual;
Accounting Rules;
IT Rules

ISO Certification

TAY IS ISO 9001:2015,
ISO 14001:2015,
ISO 45001:2018
CERTIFIED BY SGS SWITZERLAND CERTIFICATION

Our Fleet

- Rolling Stock
- 24 x MAN Container Trucks
- 4 , 5 & 6 axles Lowbed Trailers

6 x CERTIFIED TRUCKS FOR TRANSPORTATION OF DANGEROUS GOODS

Development Strategy for the further business

We are continuously expanding our vehicle fleet since 2014. We started our vehicle fleet with only 2 vehicles in 2014. Today we have 24 vehicles in total. We are currently expanding our vehicle fleet, so that to increase the capacity for overland deliveries and to provide greater control and flexibility in responding to customer requirements.

In view of new projects coming in Turkmenistan, TAY is developing strategy on purchasing 100+ new trailers which include Flat Bed, Low bed trailers, Low loader Semi-Trailers & Modular trailers extendable in length and width

Official Supporter

Turkmen Ak Yol has been awarded as the official logistics partner of the Ashgabat 2017 Asian Indoor and Martial Arts Games (AIMAG) and 2018 World Weightlifting Championships in Ashgabat
